NEW YORK STATE BAR ASSOCIATION

Trial Academy Scholarship Application

Several Sections of the NYSBA offer scholarships to attend the Trial Academy. To apply for a Trial Academy scholarship, complete and submit this application along with your resume to the contact listed below. This application will be reviewed for consideration by multiple NYSBA Sections; no need to apply to each Section individually.

Scholarships to the Trial Academy cover registration fee only. Applicants who are awarded a scholarship are still responsible to pay for and make their own travel and hotel accommodations.

Please note:
Applicants must be members of the New York State Bar Association and an attorney in good standing with the New York State Unified Court System.

Membership in the NYSBA Section awarding the scholarship is not required, however scholarship recipients will be invited to join if awarded a scholarship, and are asked to write a brief summary about their experience at the Trial Academy for publication in the Section's newsletter.

Government Attorneys: Please note that the New York State Bar Association is a registered lobbyist. State, federal and municipal attorneys should consult with their respective entity's ethics officer to ensure that they can lawfully accept a scholarship.
