Ynesse Abdul-Malak, RN, MPH, PhD, is a Visiting Assistant Professor at Colgate University and a Senior Research Fellow at the Burton Blatt Institute (BBI) of Syracuse University. Dr. Abdul-Malak is a seasoned researcher with the requisite expertise in research involving different types of methodology on issues of racial and gender inequality, health disparity, and disability studies. She has a broad research background and experience in several higher institutions in the U.S. and abroad. She just completed a research project for a book, conducting in-depth interviews with grandparents who have grandchildren with disabilities. Her numerous research articles have appeared on peer-reviewed publications and she has presented her work at national and international conferences. She is the Principal Investigator of several ongoing projects at the BBI.
