Re: Department of Taxation's Uniform Procedure Bill

Gentlemen:

We are writing to express our strong support for the Uniform Procedure Bill (S.5986/A.8332) proposed by the Department of Taxation and Finance (1991 Tax Department Legislative Proposal No. 2). This is an updated and revised version of the bill as it was originally introduced in 1990 (1990 Tax Department Legislative Proposal No. 7).

The 1990 bill was analyzed in depth and strongly supported by the Tax Section of the New York State Bar Association in its report sent to you and other officials on April 2, 1990. It was also supported by the Committee on State and Local Taxation of the Association of the Bar of the City of New York in its letter to you and other officials on January 17, 1991.

We consider the bill to be a commendable and professional contribution toward improvement of the New York law. We urge that it be adopted this year.

Respectfully submitted,

Tax Section  
New York State Bar Association

Committee on State and Local  
of the Association of  
the Bar of the City of New York
