Join Today to Help Shape the Criminal Justice System

NYSBA's Criminal Justice Section is the only state-wide forum for defense attorneys, prosecutors, judges and law clerks to work together on issues relating to criminal justice. Because it reflects the thinking of all segments of the criminal justice system, its positions have a special authority and credibility that cannot be claimed by other groups. The Section's opinions may be adopted as official policy by NYSBA's Executive Committee or the House of Delegates. Section members help influence the state's legislative and executive branches and the Office of Court Administration. The Section also sponsors lobbying trips to Albany, meets with legislators and/or their staff, and urges passage of measures to improve the criminal justice system.

Rewarding Opportunities for Professional Growth

Network with fellow defense lawyers, prosecutors and judges. The Section sponsors CLE programs at NYSBA's Annual Meeting and at locations throughout the state: attending fulfills your mandatory CLE credits and presenting improves your professional skills. Section members are encouraged to do both.

The Section's members-only *New York Criminal Law Newsletter* contains summaries of important cases, surveys of recent legislation, articles on lawyering or policy, and news briefs to help keep you up-to-date. Section members' contributions are welcome.

Online Resources

The Section's members-only website at www.nysba.org/criminal offers an array of resources, including Law Watch search results that provide access to substantive topics and the supporting cases, substantive law reports and resolutions, and the opportunity for members to join in discussion groups on relevant topics in the Criminal Justice Law Section e-community.
