NEW YORK STATE BAR ASSOCIATION

Section Meetings and Programs

NYSBA's Food, Drug and Cosmetic Law Section offers both experienced and novice practitioners excellent opportunities to enhance their professional skills and knowledge. Section activities provide members with valuable opportunities to meet and network with in-house, law firm, federal and state regulatory agency, industry self-regulatory body, and trade association attorneys from around the country. The Section's hallmark event is its *Annual Meeting*, which assembles a multitude of experts to present on a wide variety of subjects of interest to food and drug law practitioners. Rounding out our most recent Annual Meeting programs have been a luncheon program during which a keynote speaker — from the Food and Drug Administration or the Department of Health and Human Services — presents thoughts and insights on a timely topic.

Educational Programs

Take advantage of NYSBA's mandatory continuing legal education (CLE) programs at reduced member rates. CLE programs are an outstanding way to hone your skills as you stay abreast of new developments affecting your profession. The Section's very successful *Coffee, Croissants and CLE Credit series of programs* relaunched in fall 2011. The series combines a networking opportunity (during a complimentary breakfast or lunch) and a substantive legal program presented by experienced practitioners. These programs are offered at a very nominal fee, provide 1.0-2.0 CLE credits, and are conducted throughout New York State. Recent program topics include *Fair Market Value: Legal, Theoretical and Practical Considerations*, *Reverse Payment (patent lawsuit) Settlements* (from both the theoretical, practical and FTC perspectives), and *Enforcement of the*

Foreign Corrupt Practices Act and UK Anti-Bribery Act in the Pharmaceutical Industry. All section members are encouraged to suggest topics, to have their organizations serve as hosts, to participate as speakers and to attend the programs.

Food, Drug, Cosmetic and Medical Device Law Digest Articles

Members and non-members may order, via the Section's website (for no fee or a nominal charge, respectively), copies of articles that appeared in the Section's historic (1983-1999), award-winning publication, the *Food, Drug, Cosmetic and Medical Device Law Digest*.

Website Resources

As a Section member, you have full access to the Food, Drug and Cosmetic Law Section area of the NYSBA website — www.nysba.org/fdc — which includes descriptions of the Section's past and future Annual Meeting programs and *Coffee, Croissants and CLE Credit series of programs*. You can also access links to other sites that may be of interest to our members.

Leadership Opportunities

Everyone — regardless of his/her level of experience as a food and drug law attorney — is encouraged to become involved as a *participant in Section leadership*, including enrolling in valuable training (provided by the NYSBA) in the skills needed to succeed in such positions.

A Voice for the Profession

NYSBA's Food, Drug, and Cosmetic Law Section addresses major professional issues that affect practitioners. It advocates those positions — and offers its expertise — to the NYSBA, the legislature, Congress, the public, and business, civic and governmental groups.
