2024 Jonathan Lippman Pro Bono Award

CALL FOR NOMINATIONS

You are invited to submit a nomination for the 2024 Jonathan Lippman Pro Bono Award sponsored by the New York State Bar Association 50+ Section. This award has been created to recognize dedicated senior members of our profession who have generously provided pro bono service in New York and to inspire other senior attorneys to use their legal knowledge and experience to provide assistance to underserved members of the community. By naming this award in honor of former Chief Judge Jonathan Lippman, the 50+ Section also seeks to honor an inspiring judicial leader who has zealously championed the cause of access to justice and has encouraged and supported the unique contributions of senior attorneys to the pro bono mission.

Eligibility

The 50+ Section award recognizes attorneys age 55 or older who have provided outstanding pro bono legal service to a low-income New Yorker in need or to a New York organization serving the legal needs of low-income New Yorkers. Generally, nominees will be evaluated based on pro bono service provided in 2023, including number of hours of service provided and the impact of such service on individuals or groups serviced. However, nominators may wish to provide information on service that the nominee rendered over a period of more than one year, for example in a lawsuit. Candidates may be retired or actively engaged in the practice of law.

Award Selection and Presentation

The honoree(s) will be selected by the Executive Committee of the 50+ Section and the Section Chair. The honoree(s) and their nominator(s) will be notified of the selection on or around December 8, 2023. The awards will be presented at the 50+ Section meeting held during the NYSBA Annual Meeting on Thursday, January 18, 2024 at 8:30 a.m. The recipients will also receive complimentary admission to the 50+ Section program at the Annual Meeting and, one year of complimentary membership in the Section.
