Diversity Internship Program Goals

To increase the representation of lawyers and students from a diverse range of backgrounds in corporate legal departments, and to provide students from a diverse range of backgrounds with an opportunity to experience in-house legal practice. The ultimate goal of the Kenneth G. Standard Diversity Internship Program (“the Program”) is to create a network and forge relationships which will foster greater diversity in corporate legal departments throughout New York State. Through the Program, student interns will be provided a meaningful and appropriately supervised work experience by host companies working in partnership with the NYSBA Corporate Counsel Section’s Diversity Internship Committee (the “Internship Committee”).

Eligible Candidates

Students must be class of 2024 (rising 2Ls) from under-represented groups attending a participating law school and capable of fulfilling the requested work hours and responsibilities. A minimum GPA of 2.7, a cover letter explaining (i) your interest and qualifications; and (ii) a discussion about your personal commitment to diversity in the legal field and how being from an under-represented group has impacted you, along with a writing sample and the items listed below, will be required upon application. All materials must be submitted in **one** PDF.

Host Company: Disability Rights of New York

Disability Rights of New York (“DRNY”) is the designated protection and advocacy system for New Yorkers with disabilities. This year DRNY launched an initiative focused on the intersection of race and disability.

The office is located at 725 Broadway, Suite 450, Albany, New York. Due to the ongoing Coronavirus pandemic, the internship may be remote.

The student will assist the organization's general counsel (or other similar individual holding a counsel position) with matters related to counsel or advice to the organization. Internships with DRNY build strong legal skills and offer students the opportunity to grow their research, writing, and broader legal advocacy skills by receiving real world experience solving and supporting day-to-day corporate matters.

Program's Scope

The Program shall operate during the summer of 2022. Both the New York State Bar Association's Corporate Counsel Section (the "Section") and DRNY will provide the internship funding. Interns are expected to work 35-40 hours per week for a minimum of ten weeks. The intern will receive a total of \$7,000. The Section will fund half of the intern's salary, which is a max of \$3,500.
