How to enter the Unemployment Insurance online claim application.

Step 1:
Point your browser to unemployment.labor.ny.gov
You will come to the NY.gov sign in page:
Step 2:
Enter your NY.gov Username and Password, and then select “Sign In.”
If you don’t have an NY.gov ID, you must create one by selecting “Don’t Have an Account?”
Step 3:
You will come to a screen that states your NY.gov ID Login was successful, and you are logged in as your username. Select the “Continue” button.
Step 4:
You will come to the Welcome screen. It will state your first and last name, not your NY.gov username. Select the “FILE A CLAIM” button.
Step 5:
The next page will give you general instructions and a list of information you should have on hand when you file your claim. READ the instructions carefully, and then select the “CONTINUE” button.
You will then begin to file your claim. The online system will lead you through the application.
(Note: The dates shown in the first paragraph below are for example purposes only. The dates that will appear on your screen may be different.)
