

Reclaim your time and delight your clients with Ruby®.

Need more productive hours while still creating personal, human experiences for the people who contact you? **Ruby® has you covered.**

Our live, friendly virtual receptionists answer calls and chats, screen and transfer callers, take messages, capture leads, perform new client intake, place follow-up calls, and more—24/7/365, in English and Spanish.

“If you care about your clients’ experience with the people who answer your phones, Ruby is the way to go. You absolutely get what you pay for and more.”
