Michael Raymond

Katie Stott

Thomas Hutson

Sareena Sawhney

BST's deep bench of valuation, forensic accounting, and finance professionals work closely with you and your clients to:

- Assist with financial discovery, both demands and responses/production
- Analyze lifestyle so your clients better understand their needs and available resources
- Demystify and decode complex financial, tax and valuation issues so they are easily understood
- Provide confident, reliable expert opinions
- Assist with settlement negotiation
- Provide credible, objective testimony when settlement is not possible
