Why CARET Legal?

When you choose a practice management system, you're not just choosing a tool. You're choosing the infrastructure of your business. Here's why you should choose CARET Legal:

Billing and payments at your pace

Stop manually processing billing or waiting weeks for payments. Streamlined bulk billing, robust LEDES billing, and integrated online payments eliminate wasted time and help you get paid faster.

Time-saving automations

CARET Legal's efficiency-driving automations, including our powerful, newly released workflows and passive timekeeping capabilities, help you leave missed deadlines and unrecorded billable hours behind.

Matter management that makes sense

Get a comprehensive overview of the elements related to a case, all in one place. With CARET Legal's matter management, you can manage every aspect of a case with ease, keeping you organized.

It ended up being a seamless transition into CARET... it's very user-friendly. You can get anywhere you need to go from one screen.

A solution for your needs

Committed to innovation

The legal industry is evolving rapidly. Stay ahead of the curve with a practice management solution that adapts to meet your needs. CARET Legal is committed to innovation and regularly releases product enhancements and new features to ensure you are set up for success, such as the groundbreaking new release, CARET Analytics.

Here when you need us

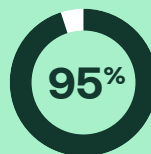

Legal emergencies don't wait for business hours. Neither does our award-winning 24/7 customer support. We're here whenever you need us, with real people ready and waiting to help.

Integrated with your preferred systems

Our industry-leading NetDocuments integration allows you to quickly access your most critical documents, collaborate with team members, track approvals, enable document permissions, and more.

Security, convenience and peace of mind

With CARET Legal's cloud-based solution, you can break free from IT headaches and costly server maintenance and instead enjoy secure, streamlined collaboration and the convenience of anywhere, anytime access.
